Education is what remains, after one has forgotten everything he learnt in School _Albert Einstein

I got to meet the most beautiful people of my life from this campus. We were always pushed to give the best by our Dear Staffs. More over, Teacher educators inspired us in terms of their values, Commitment and the love they have towards the teaching!

A special applause to our beloved Principal Dr Priya Mathew, who taught me leadership and dedication. I am forever grateful for choosing St Joseph's College of Education.

I claim this as the best opportunity an aspiring teacher can receive. Because the feedback, corrections and encouragement we got is immense...
