Mr.Roshan

Mrs.Jacintha

Four meetings were organised by IQAC in the Academic year to discuss about various programmes for quality enhancement.

## **Plan of Action Chalked Out by IQAC in the Beginning of the Year Towards Quality Enhancement**

The college has always strived towards enhancing a life oriented education that empowers the teacher trainees to be agents of transformation and development at different levels of life. The plan of action chalked out in the beginning of the year 2017 is as follows

- To enhance quality in the teaching learning process.
- To prepare the institute for NCTE visit.
- Give training in life skills for the teacher trainees
- Revamp the visits to different institutions catering to children with diverse needs
- To launch a research journal to inculcate a culture of research & learning.
- To get the feedback from students at the end of the course.
- To provide Placement services for the trainees and related consultancy to whoever is interested.
- To procure more books & journals
- To encourage all faculty members to complete research.
- To reconstitute purchase committee.

### **The outcome by the end of the year**

Faculty members attended number of Seminars, conferences and workshops at national and one of the Faculty members Dr. Maria Ugin Joseph presented a paper at international level. Mr Prasanth Joshi and Mrs. Vasudha got permanent registration for PhD and pursuing their research.

Faculty members participated in Mysore University level orientation programme to the new 2 year B.Ed course. Three faculty members were resource persons in preparation of 5 E model lesson plans. Academic activities started with the orientation programme. Orientation programme gave a bird's eye view of the entire B.Ed programme. The first activity which was conducted for developing confidence and communicative competency was communication skill workshop. Communication skills workshop was organized from 3<sup>rd</sup> to 4<sup>th</sup> April 2017. Prof Raja Gopal, Former Professor CIEFL Hyderabad was the resource person for the workshop.

Tutorials in Pedagogy papers were held from 19<sup>th</sup> April to 21<sup>st</sup> April. Micro teaching workshop was organized from 19<sup>th</sup> to 30<sup>th</sup> May 2017 where students learnt and practiced selected teaching skills under supervised conditions, which was a much needed exercise for their forth coming practice teaching programme. Micro teaching was followed by Simulation lessons. Lessons were recorded and students got opportunity for self-evaluation and reflection. Activities related to ICT Basic, Language across the Curriculum and Psycho-social tools and techniques were conducted.

National Science Day was celebrated with great fervor on the theme science and technology for Disabled children. Special programme was organized for Science classroom teaching by connecting dots for 15 days from 10th March 24th March.

Special lectures were organized on the topics like Awareness about mobile hazards, How to be an effective teacher and so on. The placement cell functioning in the college assists students in finding out career opportunities both inside and outside Karnataka. A good number of students made use of this opportunity and is serving as efficient and committed teachers in almost all parts of the country and there by contributing to national development.

The institution develops quality consciousness among teacher trainees through various curricular and co-curricular activities. Talents Day was conducted in the college auditorium and it gave opportunity for the students to prove their cultural abilities and skills. Sports and inter house competitions were conducted for the students to prove their physical abilities and skills.
