### **Placement cell Report 2021**

The Placement Cell is an integral part of the Institution and functions under the IQAC, resulting in providing various opportunities to students of the B.Ed. Colleges.

**Objectives:** The Cell's primary objective is

- To provide training and placements to Student teachers.
- To organise activities that takes place throughout the academic year both in the college and the local area.
- To lead Student teachers to take the initiative to develop their attitude in the workplace.
- To provide opportunities to improve their soft skills and technical skills along with their analytical capabilities.
- To expose student teachers to the nature of the teaching profession at their entry level platforms therefore providing insight to their future professional careers.

### **Conduct of placement cell 2021**

#### **Online Mock TET:**

A pandemic initiative: Placement cell of the college has organised a district level mock TET examination online in Google meet digital platform during the third semester, followed by awarding an e-certificates for those participants who could score above 50%. The questions for TET were created by the subject experts from respective pedagogy and were scrutinized by the principal and the management. It was then forwarded to the participants in the form of mock TET links and processed through Google forms. Amidst the hit of second wave, the student trainees had the opportunity to take up mock TET in their third semester of B.Ed. program.

#### **Placement interview**

A Placement interview was arranged for all the students by the management Mysore Diocesan Educational Society, MDES at the end of fourth semester for those students who enrol for it.

The placement interview 2021 was organized at the intra college level taking COVID protocols into account. Only the trainees of the college from all the pedagogy were intimated about the Interview and the enrolment was ensured. Registration was done with the mandatory details (Resume, Covering letter, Contact no., Email, Educational Qualification, etc.,)

After the interview, the shortlisted students were called for Demo sessions with a mention of topic of their interest or specific content from the prescribed syllabus. Qualifying students were placed in high schools and PU colleges of various campuses of MDES as per requirements.

#### **Online Placement test**
